**NARRATIVE:**

Smith has an extensive adult criminal history that began at the age of 18. His convictions include multiple convictions for carrying a concealed weapon in vehicle, carrying a loaded firearm in public, and felon in possession firearm. He also has convictions for receiving known stolen property, vehicle theft, vandalism, possession of burglary tools, auto theft w/ prior possessing controlled substance, trespassing, under the influence of a controlled substance and failure to appear. Smith has served multiple state prison terms the longest a four (4) year term for felon in possession of a firearm. Smith was released from state prison to the supervision of the Los Angeles County Probation Department on April 11, 2012. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109), the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in December 2013 after he absconded from post release community supervision (PRCS). Smith qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for the charge of possession of firearm by felon meets the criteria for PRCS under the California penal code. His prior criminal history, and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
